VIII. Unfinished Business

- **May Herding Trial**

- Sara-Jo has submitted the following report on our May Herding Trial:
- May 15th and 16th. Premium List is out now. Please get the word out and share the premium for our Trial with anyone who may be interested.
- And remember, there is a silver Belt Buckle for High Combined Cattle, ACD!
- The cattle used for the trial will be the older, very dogbroke cattle. We will have Barb Davenport's PT sheep for all the Test Runs.
- SJ got a good ticket price for Larry Painter's airline tickets and will be splitting the cost of that with the Club, as he is staying over to do her Clinic right after judging for the Trial on Sunday.
- Michelle Rogers has agreed to be the raffle coordinator for the May Trial!
- We will need people to sign up to go and do setup and course building on the Thursday and Friday before the Trial. If you are a herder, bring your dogs and we'll get some sheep out after we get the courses built!

- We seek to solicit donations from Club members to help with Awards at the May Trial and to help it be a success. If this Trial proves to be a success, the club will have the option to continue with a May Trial, as was the tradition in years past.
- **Stumptown Specialty 2010**
 - Judges have been lined up for the Stumptown show and everything is progressing. Our Sweeps judge is Pat Putman, and our regular judge is Stephanie Hedgepath. Randy Roberts will be our photographer.
 - Interest has been expressed to have Patti Salladay hold a handling/ring seminar on Friday after the show.
- **Summer Trial 2010**
 - Nancy Ward and Terry Kenny will be judging our summer herding trial. The cows have been secured and Alison is still looking for ducks.
 - Jim Beckley has volunteered to handle the food at the trial.
- **Club Awards Banquet/Awards Committee**
 - We hereby put forth the call for members interested in signing up for the Awards Committee.
 - This committee would be responsible for handling trophies and awards for our shows and trials, as well as our Club plaques. This committee would also coordinate our Awards Banquet, if the Club desires to have one.
- **Club Awards Banquet/Awards Committee**
 - Linda Jaquish and Michelle Rogers will be handling our Club Awards Plaques and Plates again this year. Many of you will already have seen postings on the CACDC Yahoo List to this effect.
 - Awards will be handed out at the Regional Specialty in July.
 - Jen Waters has agreed to be the Trophy/Award chairperson and will assist the trial and specialty chairperson in coordinating the acquisition of trophies for the events. She will also work with her committee volunteers on coordinating the awards and award luncheons.

IX. New Business

- **Sirius about Dogs Festival**
 - The Sirius about Dogs Festival is coming up in August. Attending this event will contribute to our annual club compliance. Kari

Kramer and Jen Waters have volunteered to attend this event to represent our club.

- **Compliance**
 - The board is in the process of completing the club compliance documentation needed to submit to the AKC. A reminder to members that the continual involvement in our volunteer activities will keep us in compliance and allow us to continue to hold regional specialties.
 - Patti Salladay volunteered to compile the information needed for the compliance documentation.
- **Regional trial in conjunction with the Regional specialty.**
 - Discussion was raised on holding our summer herding trial in conjunction with our Regional specialty. After discussion, this issue was tabled.

- **NEW MEMBERSHIPS**
